Joel Cryer,

AEE Awards recognize the outstanding experiential educators and organizations whose contributions have inspired others to dream, to act, to reach for and maintain a high standard of excellence.

We extend our heartfelt congratulations, Joel, for being a **2010 Servant Leader Award recipient**.

This award recognizes individuals for their active, excellent servant leadership to AEE and its members. These leaders exemplify that the "how and why" of doing something is as important as the "what will be done."

Once again, congratulations on your achievements. We are proud to have you be such an integral part of AEE.

Sincerely,
